

Fetola is a leading Enterprise Development organisation with a proven & successful track record.

We service our clients by designing and implementing BBBEE-compliant enterprise development and CSI programmes that make a difference, and boost their BEE scorecard.

These award-winning programmes employ effective, practical and results-orientated methods that support the development of beneficiary organisations, achieving exceptional results. Our specific beneficiary focus is on SMME's, women-owned and emerging micro-enterprises and we currently support over 1200 beneficiaries in all nine provinces.

What Makes Us Different - The Fetola Culture

Our successes arise from our entrepreneurial focus, passion and performance-driven culture. All our consultants and mentors are successful entrepreneurs themselves; and Fetola MD Catherine Wijnberg has over 25 years experience as a successful businesswoman across five sectors and three countries.

Products and services include:

Strategic Planning: Vision Setting & Strategic Planning for clients of all sizes and configurations (including the revolutionary **c@ps model** www.caps.biz)

Enterprise Development: Participatory or custom-designed programmes to maximise results and ensure best BBBEE Scorecard returns to the client

CSI Programmes: Optimisation of CSI programmes to company need and to BEE Scorecard. Eliminate management hassles and ensure maximum outcomes.

Skills Training and Workshops: Practical, business-focused workshops, e-learning courses, accredited skills training.

Mentor Hotline: A matching service for mentees and mentors wishing to be part of a better South Africa.
